

Working within the Meat and By Product Industry means that BHJ UK Food Ltd's supply chains are relatively short and the likelihood of Modern Slavery existing within them is very low. However we recognise that Modern Slavery still exists within the United Kingdom and the EU so the below points detail BHJ UK Food Ltd's efforts to prevent Modern Slavery and encourage Ethical Trading within our supply chains.

BHJ UK Food Ltd is a Meat and By Products Trader, importing and Exporting within the EU working in the Food Sector. BHJ UK Food Ltd is part of the wider BHJ A/S Group based in Denmark.

Operating within the European Union means that most of BHJ's Suppliers reside in Tier 1 or Tier 2 countries as categorised by the Trafficking in Persons (TIP) Report, July 2015. During 2015, only suppliers from countries that are category Tier 1 have been purchased from which means from "countries whose governments fully comply with the Trafficking Victims Protection Act (TVPA) minimum standards".

BHJ UK Food Ltd has a 'Zero Tolerance' stance when it comes to slavery, in all of its forms, and human trafficking. BHJ UK Food Ltd is committed to only conducting business with person(s) or company(s) who do not support slavery or human trafficking.

BHJ UK Food Ltd urges anyone who is aware of Modern Slavery within their supply chain to call the Modern Slavery helpline on 0800 0121 700.

BHJ UK Food Ltd is committed to only trade with person(s) or company(s) who:

- Has a 'Zero Tolerance' stance to slavery, in all of its forms, and human trafficking throughout their supply chains.
- Ensures that their employees are treated fairly and of a legal working age.
- Ensures that their employees are not subject to dangerous working conditions, exploitation, harsh or inhumane treatment, forced labour, excessive working hours or pay which does not meet national minimum wage requirements.

BHJ UK Food Ltd carries out the below measures in order to ensure that this Policy is complied with:

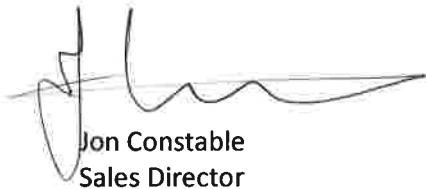

- Make our supply chain aware of BHJ UK Food's 'Zero Tolerance' stance to Modern Slavery.
- Make this Policy available to view through our BHJ's company website, placing a link to it in a prominent place.
- Review the Policy on an annual basis to see if any further actions can be carried out by BHJ UK Food.
- Where possible, work with Suppliers who we have visited and have had a long-standing trading history with.
- Working towards mapping our full supply chain to see if there is any risk of Modern Slavery being present.
- Working towards training all of our staff in recognising Modern Slavery.
- Review and use potential Supply Chain Management Systems such as Authenticate Pyramid to map our Supply Chain (where possible)
