

Working within the Fish and By Product Industry means that BHJ UK Seafood Ltd supply chains are short and the likelihood of Modern Slavery existing within them is very low. However, we recognise that Modern Slavery still exists within the United Kingdom and the EU so the below points detail BHJ UK Seafood Ltd efforts to prevent Modern Slavery and encourage Ethical Trading within our supply chains.

BHJ UK Seafood Ltd is a by-product manufacturer for the pet food industry working within the meat and seafood sectors. We source locally as well as import from the EU and export to the EU and US. working in the Seafood Sector. BHJ UK Seafood Ltd is part of the wider BHJ A/S Group based in Denmark.

Operating within the EU means that all BHJ's Suppliers reside in Tier 1 or Tier 2 countries as categorised by the Trafficking in Persons (TIP) 2023 Report. Our Suppliers are based within the UK or EU and there have been no reported instances of Modern Slavery within our direct supply chain.

Product and raw material are purchased from countries that are either Tier 1 where "countries whose governments fully comply with the Trafficking Victims Protection Act (TVPA) minimum standards" or Tier 2, where "countries whose governments do not fully meet the TVPA's minimum standards but are making significant efforts to bring themselves into compliance with those standards".

BHJ UK Seafood Ltd has a 'Zero Tolerance' stance when it comes to slavery, in all its forms, including human trafficking. BHJ UK Seafood Ltd is committed to only conducting business with person(s) or company(s) who do not support slavery or human trafficking.

BHJ UK Seafood Ltd urges anyone who is aware of Modern Slavery within their supply chain to call the Modern Slavery helpline on 0800 0121 700.
